

Specification

Photo		Basic Data	Name	LED flood light
			Model No.	JR312-350W
			Specification	LED 350W
			Installation mode	U bracket
			Work temperature	-40℃~50℃
			Work voltage	AC90~305V
			Power factor	>0.95
			Rated life	50000hrs
Dimension		Standards	Product standard	GB7000.1-2007
			IP	IP66
		Main parts	Housing	Aluminum extrusion profiles
			Radiating module	Aluminum radiator
			Optical part	Optical crystal glass lens
			Color	Black
Photometrics		Optical parameter	Beam angle	45°, 60°, 90°
			Luminous	160Lm/W
			Luminous flux	56000Lm@5700K
			Color temperature	5700±300K
			CRI	RA≥70@5700K
		Light source	LED chip	Bridgelux
			Name	COB
Accessories		Driver	Brand	SOSEN
			Installation mode	External
			Specification	Constant current driving
		Packing information	Carton size	400*400*235mm
			Net Weight(Kg)	9.7KG
			Accessories	Qualification certificate
			Packing	Carton
